Title: How I Came To Be

Author: Grim Reaper

Well I started out a young child. Odd things allways heppend noones would play with me. One day as a buly was messing with me i got mad and hit him and when i did he was hit with a green light, I could tell he was in serious pain. Then the next day i punched the bully suddenly he face turned into a sorpse like skin. the next thing I new he was dead. The towns people ran me out of town and I ceased to exsist to them. Soon After I started becoming boney and soon i was nothing but bones. I started to develop wierd powers and ntohing good ever came of them. I became more evil as time went on, soon all I cared a bout was killing and death. Then one day in the field i discovered i could transport my self by using a schythe to open a dimensional gate. Soon all i wanted was to see hear and smell death. Eventually the townspeople started calling me grim repaer.

The End
